QIYAM

As was done last year, we will extend the Night Prayer during the last 10 nights of Ramadan. We will be praying taraweeh prayer as we normally do, however we will not conclude with the witr prayer. Instead we will have a short break after 8 rak'aat and resume praying at **2.00am** and pray 4 additional rak'aat, then conclude with the witr prayer, leaving you enough time for suhoor.

The Prophet (SAW) would increase his worship in the last ten nights of Ramadan. He would wake his family and spend the night in ibadah. With Laylat al-Qadr being in the last ten nights, it is a unique opportunity to seek out this blessed night with prayer, du'a and listening to the recitation of the Qur'an.

IFTAR & SUHOOR

Iftar will be provided each day inshaAllah for brothers & sisters who wish to break their fast at the Masjid. **Brothers** will be accommodated in the **Community Hall via Door F** and Sisters will be accommodated in the **school area via Door E**.

During the last 10 nights of Ramadan suhoor will also be provided inshaAllah.
