# Message from Our Chair

**All praise be to Allah, Assalaamu alaykum (peace be upon you),**

Dear supporters of Green Lane Masjid and Community Centre,

As we reflect on the year that has passed, I am grateful to Allah for allowing us to continue serving the community through Green Lane Masjid & Community Centre. The Masjid remains a place of worship at the heart of community life, bringing people together in faith, reflection, and service.

Throughout the year, our daily prayers, Friday sermons, and the blessed month of Ramadan continued to strengthen the spiritual fabric of the congregation. These moments of worship and togetherness remain central to who we are as a community. Alongside this, the Masjid has continued to support learning, welfare, youth activities, and community engagement, responding to needs as they arise with care and responsibility.

Allah says in the Qur'an, "And put your trust in the Almighty, the Most Merciful." (Qur'an 26:217)

As Trustees, we remain conscious of the responsibility entrusted to us to safeguard the Masjid and ensure it continues to serve present and future generations. This responsibility requires consultation, patience, and reliance upon Allah, particularly during times of change and growth. We are thankful for the dedication of our staff, volunteers, and Imams, whose consistent efforts allow the Masjid to function day in, day out.

I would also like to thank the wider congregation and community for their continued support, dua, and generosity. Your involvement and commitment are what enable the Masjid to remain a place of benefit for all who pass through its doors.

We ask Allah to accept the efforts of everyone involved, to place barakah in the work of the Masjid, and to guide us in continuing to serve with sincerity and humility.

*Mohammed Saeed*

2025

# Religious Services

---

2025 was another uplifting year for our Religious Services, maintaining key activities while continuing to serve the needs of our community. Daily prayers, Friday congregational worship, Ramadan programmes, and essential pastoral services continued throughout the year, supporting a growing congregation. A key development in 2025 was the launch of Hajj with GLM, with the first cohort of pilgrims supported through the Masjid.

# Testimonials

“I was part of the first cohort going on Hajj with GLM, and alhamdulillah it was an amazing experience going out with this group.”

- Sulayman, Hajj Pilgrim

“JazakAllahu khayr for supporting us with the funeral of our father. The Masjid provided an amazing service and we felt very comfortable throughout the process.” - Community Member

“Most masjids I contacted did not answer the phone or return my call. Alhamdulillah, I was able to get through to Green Lane Masjid and have my query answered” - Community Member

# Children's Education

---

Throughout 2025, Children's Education continued to deliver Qur'an and Islamic Studies through onsite and online Madrasah provision, alongside weekend clubs and seasonal programmes. Children attended regular classes and holiday activities, supporting their ongoing learning and connection with the Masjid. The department concluded the year with its highest student enrolment to date.

# Testimonials

“I truly appreciate how the madrasah helps my children feel part of a wider community. Their confidence and Qur’an recitation have improved so much, and they always come back from lessons excited to share what they’ve learned.” - **Parent**

“My daughter’s Islamic Studies teacher consistently goes above and beyond. I’ve seen a clear improvement in her adab, akhlaq, and how she applies her learning in everyday life.” - **Parent**

“The teachers are excellent and very engaging. I’ve seen clear progress in my child’s learning, and I would confidently recommend the madrasah to other families.” - **Parent**

# PR & Civic Engagement

During 2025, PR & Civic Engagement activity focused on partnership working, civic engagement, and mainstream media engagement across a range of public facing initiatives and events.

Key activity included partnership delivery of a Road Safety event with West Midlands Fire Service, which received coverage by Birmingham Mail. An EDI workplace event (Bridges of Understanding) was delivered to Birmingham City Council staff, alongside the sharing of knife crime guidance to masjid in partnership with the Muslim Council of Britain. The Masjid also supported stakeholder and civic events, including the first prayers and Iftar at Birmingham City Football Club, alongside mainstream media coverage across BBC Midlands Today, ITV Central, Birmingham Live, and Birmingham Mail.

# Testimonials

“Breaking down barriers and inviting people in from different backgrounds to find out more about the wonderful work performed by Green Lane Masjid.”

- **Attendee**

“Working with Green Lane Masjid & Community Centre showed a values driven approach where the aim is for all communities in the city to thrive.

The welcome from staff and trustees was warm, and the work being delivered is clearly person-centred and dignified.” - **Surinder**

“Hearing about the work that GLMCC does and being able to view the prayer was really valuable.” - **Attendee**

# People & Culture

During 2025, the People and Culture team continued to play a vital role in supporting staff and strengthening organisational foundations across the Masjid. Operating as a small back-office team of three, the function focused on building sustainable people practices, improving staff wellbeing, and supporting managers and staff through a period of growth and development.

A key priority this year was staff wellbeing. A 24/7 Employee Assistance Programme was introduced, providing confidential access to mental health, counselling, and practical support. In addition, the foundations were laid for a Wellbeing Champions network and staff wellbeing circles, which will formally launch and gain momentum in the year ahead, supporting a more peer led and proactive approach to wellbeing across the organisation.

We also invested in building internal capability through the recruitment of an HR and Recruitment Apprentice, supporting local employment opportunities while strengthening the organisation's people function. Alongside this, a comprehensive HR audit was undertaken to review people practices, enhance compliance, and identify clear areas for continuous improvement across the Masjid.

To empower staff and managers, 'Know Your Rights' sessions were delivered to improve understanding of employment rights, workplace expectations, and organisational processes. Leadership development was also prioritised through structured training and organisational resilience workshops, equipping managers with the skills and confidence to lead effectively through change. Looking ahead, the organisation is seeking to appoint a Head of People and Culture to build on this progress and continue embedding a long term, people focused strategy that supports both staff wellbeing and organisational sustainability.
